**About Spinsters:** Spinsters of San Francisco is a 79 year old, non-profit, philanthropic organization comprised of young, upwardly mobile, professional, Bay Area women who have never been married. Our organization was founded on the themes of friendship and philanthropy and is devoted to supporting local community enrichment and charitable projects. Many of our alumnae can be found at prominent steering committees and on the boards for well-known non-profits throughout the Bay Area. Each year we volunteer time and donate all proceeds from our events to one designated charity. Last year we had two black tie balls, three charity parties, and the Patrons' Reception all benefiting our designated charity. [www.sfspinsters.com](http://www.sfspinsters.com)
