December 7th Promises to be a very Starry Starry Night for the Spinsters of San Francisco

One of San Francisco's Most Notable Philanthropic Women's Organizations Holds Annual Holiday Ball

December 6, 2002 -- SAN FRANCISCO, Calif. -- The members of Spinsters of San Francisco will be seeing stars at their annual Holiday Ball on December 7, 2002, to be held at San Francisco's historic University Club. While taking in the breathtaking views of the downtown skyline, Spinsters of San Francisco will drink wine kindly donated by Stonehurst Winery over a delicious holiday dinner, toast with Domaine Chandon champagne, take home unique party favors donated by IMG Home and Macy's, and dance the night away to local band Double Funk Crunch.

"Starry Starry Night" Holiday Ball attendees include general membership of Spinsters of San Francisco along with board members Alexa Harnett (President), Elizabeth Conrady (Secretary) and Lisa Ligon (Membership Director), Holiday Ball Chairs Tristi Glezer and Morgan Keller, organization alumnae and special guests.

Partial proceeds from the ball will go to Spinsters of San Francisco designated charity for 2002, the Bayview Hunter's Point YMCA "Just 4 Girls" program, a mentoring program for young schoolgirls in the Bayview Hunter's Point neighborhood. Spinsters of San Francisco have supported the Bayview Hunter's Point YMCA "Just 4 Girls" program for two years running, and members support the charity through both fundraising and volunteer efforts.

Spinsters of San Francisco is a social and philanthropic organization of up to 175 members, founded in San Francisco in 1929. Nonprofit by charter, our group is comprised of college educated, unmarried women who sponsor and raise funds each year for a designated local charity. The charity is selected by a vote of the membership each year. For more information about Spinsters of San Francisco, please visit our website at www.sfspinsters.com.
