**About ROCK:** ROCK was founded in 1994 in response to the need within San Francisco's low-income neighborhoods for enhanced public education and positive after-school activities. ROCK's mission is to nurture the healthy development of children by listening attentively to their needs and by providing opportunities to those who might not otherwise have access. ROCK aims to promote the positive development and long-term success of the youth that it serves through a combination of in-school and after school learning enrichment, sports and fitness, leadership training, outdoor adventure, and summer camp opportunities. ROCK's programs are designed to serve girls and boys ages 6 -14, who live in or attend school in San Francisco's Visitacion Valley. With only two full time staff members, ROCK relies on volunteer efforts and donations to sustain programs that benefit hundreds of children each year.

**About Spinsters:** Spinsters of San Francisco is a 76 year old, non-profit, philanthropic organization comprised of young, upwardly mobile, professional, Bay Area women who have never been married. Our organization was founded on the themes of friendship and philanthropy and is devoted to supporting local community enrichment and charitable projects. Many of our alumnae can be found at prominent steering committees and on the boards for well-known non-profits throughout the Bay Area. Each year we volunteer time and donate all proceeds from our events to one designated charity. Last year we had two black tie balls, three charity parties, and the Patrons' Reception all benefiting our designated charity. [www.sfspinsters.com](http://www.sfspinsters.com)
