### **Little Black Dress Fall Charity Party San Francisco's Reputed Philanthropic Women's Organization Hosts Gathering**

September 30, 2004 -- SAN FRANCISCO, Calif. -- The members of Spinsters of San Francisco made like Holly Golightly for the organization's "Little Black Dress" Fall Charity Party on September 30th at the San Francisco Italian Athletic Club, in the heart of North Beach. Sleek, chic, and sophisticated attendees mingled to the toe-tapping music of D.J. David Gwynn and sipped drinks provided by Cocktails by Jenn.

"Little Black Dress" Fall Charity Party attendees included the general membership of Spinsters of San Francisco along with board members Morgan Keller (President), Elizabeth Perry (Vice President and "Little Black Dress" Event Chair), Gia Colosi (Secretary), Alexis Ford (Treasurer), and Marisa Scordelis (Membership Director). In addition, guests included Bay Area professionals interested in a night out for a good cause.

Proceeds from the event go to Spinsters of San Francisco's designated charity for 2004, the Edgewood Center for Children and Families, a local residential treatment center for severely emotionally disturbed, abused, and neglected children, with additional programs focused on prevention and early intervention. Spinsters of San Francisco has been working with the Edgewood Center since this fall, through both fundraising and volunteer efforts.

Spinsters of San Francisco is a social and philanthropic organization of up to 175 members, founded in San Francisco in 1929. Nonprofit by charter, the group is comprised of college educated, unmarried women who sponsor and raise funds for a designated local charity. The charity is selected by a vote of the membership each year. For more information about Spinsters of San Francisco, please visit [sfspinsters.com](http://sfspinsters.com).
